REFERENCE: The Board submits copies of the two letters from the Collector of Bellary, cited above. The delay on the part of the Collector to apply for sanction to entertain the staff and rent the godowns referred to in the letters is apparently due to the fact that the matter was lost sight of till now. In the circumstances stated, the Board recommends that the Government may be pleased to sanction the staff and renting of the godowns which have already been utilised in anticipation of sanction. The Collector's action in having appointed the staff and occupied the godowns may be ratified.
